Robin Butler called the July 27, 2004 meeting to order at 8:30 a.m. Minutes from June 22, 2004 meeting were approved as submitted.

OLD BUSINESS:

Robin Butler requested stats from each municipality on a monthly basis to assist with development of the end of year report. This will also assist each agency with their accreditation reports.

NEW BUSINESS:

Andre' Shoucair discussed an Aggressive Driving Operation. He will be conducting a back to school event which will include a static display. Lt. Kelting discussed the Aggressive Driving program crash cars. A red Honda involved in street racing which

resulted in a fatality will be used as a display. A trailer is being made to transport the vehicle to malls and special. The S/O is planning an Aggressive Driving Corridor Operation setting up locations throughout the county. Andre' Shoucair will coordinate this effort. Lt. Kelting stated that we need to focus on the 4 lane roads where drag racing and aggressive driving occur. They need unmarked cars from participating agencies. Oct 15, 2004 has been set as the tentative date. Suggested time is 5:00 p.m. - 2:00 a.m. Details TBA.

Contacts from UCF have requested a Mock DUI presentation.

CPS Daycare Educational Program- Robin Butler sent a letter out to each of the registered daycares in Seminole County explaining the program and opportunities to gain the required "In Service" hours. If anyone would like to assist with this program, please contact Robin.

Crash Facts Book Reviewed from the 2003 Crash Summary for Seminole County.

- County reported numbers are low.
- Chart on page 34 needed to be reversed.
- Data is entered from crash reports.
- Discrepancies from S/O- need to check into the reason.
- Sanford PD advised discrepancies.
- Robin Butler requested that each agency check their numbers and check with their reporting and check on discrepancies.
- Suggestion made to put agency name on each page.
- Larry Wynn stated excellent tool for high crash locations.
- Engineering will help with intersections.
- There is a breakdown in serious bodily injury.
- This will help identify areas that may need engineering help to reduce serious crashes.
- Grants are available for projects to reduce/improve roadways.

Mike Blinn and Philip Miller will be attending a GIS Crash Mapping Course.

PROBLEMS AND SOLUTIONS:

Spartan / 17-92-- Larry is closing completely.

Lake Mary PD is looking at Lake Mary Blvd. Westbound/ Rinehart Rd. crashes. They will be doing an analysis of Crashes v Tickets.

I-4/ Lake Mary Blvd.—Needs two right turn lanes with bulbs and arrows.

TRAINING:

CPS refresher class—we need good attendance we have had small attendance at the last class and there is a lot of information which needs to be shared concerning the new fees and program materials.

The next 32 hour NHTSA Certified CPS Class will be Wed. 9/29 – Fri. 10/1 and Thurs. 10/7 and Fri. 10/8. There are 15 slots available (2 per agency) through August 31. All slots will be open to anyone on September 1.

October 16, 2004 (Saturday)—Booster Seat Awareness event in cooperation with AAA Car Care at Seminole Towne Center 10 a.m. - 1:00 p.m.

OPEN FORUM:

Linda Moss advised school starts Aug. 2, 2004 in Seminole County.

2 new schools:

- 419/434- Elementary School
 - new signal
 - lowering signal
 - 3 new crossing locations
- Snowhill Rd. - Walker Elementary
 - Sidewalk issues
 - 2 guards needed

November 14, 2004 - Coppers and Choppers Event: Help needed.

September 3, 2004 - Labor Day Weekend Wolfpack Operation hosted by Oviedo PD. Ops plan will be provided to all agencies at the next CTST meeting.
